Holy Trinity Parish Vision

We are a prayerful and diverse Catholic community in the Eastern suburbs of Wellington, drawing strength from one another to grow and become fully alive as missionary disciples.

'DISCIPLES MUST BE MISSIONARIES'

How many people belong to the Church? Catholics number less than 18% of the world population. Yet Luke says that Jesus tells us today: "The harvest is rich but there are few laborers. Pray to the Lord to send us harvesters." And then, whom does Jesus send? Not just the leaders, but the disciples too. And where are they sent? To all nations and to all peoples, for they are seventy-two, as many as there were peoples known in those days. And how are they sent? In all humility receiving the people's hospitality and kindness and proclaiming to them the Kingdom of God. Let's continue to pray and ask Jesus to make us suitable messengers

World Day for Grandparents and the Elderly – 24th July 2022 The theme for this year's World Day for Grandparents and the Elderly is "In old age they will still bear fruit" (Ps 92:15), emphasizing the value and gift that grandparents and the elderly are both for society and for faith communities. Their experience of life and faith can contribute to building societies that are aware of their roots and capable of dreaming of a future based on greater solidarity. How can your parish honour and value the grandparents and elderly in your community? Are there elderly persons who might appreciate a visit? The invitation to listen to the wisdom of the years is also particularly significant in the context of our synodal journey as a Church.

Cardinal John Dew highlights Suzanne Aubert's legacy at 187th birthday celebration

With music by the pupils of St Mary College and a large attendance, the 187th birthday of Meri Hōhepa Suzanne Aubert was celebrated on the 19th of June, with a special Mass ceremony held in the Chapel of Our Lady's Home of Compassion, Island Bay, Wellington.

The ceremony was led by Cardinal John Dew, who during his homily recalled the virtues and legacy of Meri Hōhepa Suzanne Aubert, highlighting that her spirituality was always based on the presence of God in her life and that the grace of the "present moment" allowed her to do wonderful things for God.

"We remember Suzanne, we can learn from her, from her writings, her sayings, her wisdom, and we give thanks

for her example of showing us what our human life can be," he said.

Cardinal Dew also highlighted how Meri Hōhepa had a heart full of love for all, saying, "Let us have a heart like an artichoke and so big that everyone can have a leaf of it".

On Saturday 18th of June, the day before the celebration Mass, the Compassion Soup Kitchen was blessed with a visit by the Governor-General of New Zealand, Dame Cindy Kiro, and His Excellency Richard Davies. Dame Cindy attended the evening meal service as a volunteer to wait on whānau guests with a hot meal.

She highlighted the work of the Compassion Soup Kitchen in continuing Mother Aubert's remarkable legacy of supporting people in need in our community.

The 187th-anniversary celebration recalled the precious legacy of Suzanne Aubert, who was born on the 19th of June 1835 in Saint-Symphorien-de-Lay, near Lyon in France, and emigrated to Aotearoa New Zealand in 1860. Meri Hōhepa Suzanne Aubert was an outstanding teacher, nurse, innovator in the field of health care, pioneer of social welfare, and advocate for disadvantaged children, the poor and the sick "of all faiths and none".
