Please select your preferred time for Sunday Mass at Holy Cross Church (please circle your preferred option below OR if completing electronically, please delete the options which **do not** apply):

Option 1: Reinststate 8am and 10am Mass times, OR

Option 2: Continue with 9am Mass time, OR

Option 3: Other (Please specify an alternate time): _____

Background – due to the success of the 9am Sunday Mass at Holy Cross during January, it has been decided to extend the 9am Sunday Mass time for the month of February. This will provide an opportunity to:

1. Assess whether the high numbers in attendance at the 9am Sunday Mass continues during the month of February, and
2. Seek feedback from you, our parishioners who attend Holy Cross Church as to whether the 9am Sunday Mass should continue or revert back to the 8am and 10am Sunday Mass times we are accustomed to at Holy Cross. Parishioners may also suggest an alternate time (refer option 3 above).

We would like to complete this process by the end of February so that we can advise Mass times to all Parishioners from March onwards. If you have any comments, please write them on the back of your response.

Once the voting process is completed, you will be advised of the outcome as soon as is practicable. If a change in the Mass time does occur, we appreciate the impact this may cause on the current delivery and timing of the various Ministries at Holy Cross Church, and thank you in advance for your continued support during and after this consultation process.
